

Cafeteria Cash Card

Here is how it works:

A Cash Card can be purchased at the cafeteria for \$4.00. Once the card is purchased and an account number is attributed to your child, you will be able to add money to the card in \$20 increments or more.

You may pay:

- in cash, a receipt will be issued
- by cheque to "6771581 Canada Inc. / Phoenix Group"
- by Interac e-transfer to alexmorselli@gmail.com

IMPORTANT: please indicate your child's name and grade if paying by cheque or by e-transfer

The card can be carried by your child or be held "IN TRUST" by the cashier at the cafeteria. Your child's name will be written on the card with a sharpie so that it is quickly identifiable. Your child must either have the card on them or announce to the cashier that they have a cash card on file.

A special machine that adds and subtracts will be at the checkout line for any transaction. It is important to note that the balance in your child's account is recorded on the chip on the card and not in our machine.

It is very important that if your child decides to carry the card on them that:

- a) They must report the card lost or stolen to the cashier at the cafeteria immediately.
- b) The balance amount on the card is refundable only if the card is found and brought back to the cashier for verification.
- c) A replacement card can be issued for \$4.00.
